

Alikhan Abay

Cybersecurity student | Seeking cybersecurity & IT internships

Astana or remote opportunities · alikhan.skyranger@gmail.com

PROFILE

First-year Cybersecurity student at Astana IT University, seeking an internship to gain practical experience early in my studies. Interested in open-source intelligence (OSINT), research, and connecting clues through publicly available information. Currently learning C++. A confident communicator with volunteering experience supporting people from different backgrounds.

EDUCATION

Astana IT University, Kazakhstan

2026 - present

Cybersecurity | First-year student

Alikhan Bokeikhan BINOM School-Lyceum

2022 - 2026

Secondary education | Graduated in 2026 | GPA: 4.3 / 5

VOLUNTEER EXPERIENCE

PGL Astana

2025 and 2026

Event volunteer

- Helped attendees navigate the venue and find their way between areas.

President's Trophy Hockey Tournament

2025

Kazakhstan national championship | Event volunteer

- Guided spectators between seating sectors, helping manage crowd flow and reduce congestion for a smoother visitor experience.

Games of the Future

Attaché volunteer

- Supported international players throughout the event, guiding them through an unfamiliar environment and serving as a point of contact to help them understand event arrangements and feel supported during their experience abroad.

PERSONAL PROJECT

LoadWise - Personal side project
